

Special Stock

Please note that this catalogue shows the **sizes and pressure angles etc.** of **common** stock items **only**.

For many of the hobs and shaper cutters there are pre-grind available also.

For the **internal** cutters there are various **Face Widths** available.

Additionally there are a number of **“Odd Ball”** Hobs, Shapers or Sunderland cutters

Stock is always changing so if the item you require is not shown, please ask.
